Parish Mission Statement

We, the people of St. Anthony Mary Claret Parish, have as our mission to open our hearts and doors to those from all walks of life so that they too may share in the everlasting presence of God.

Together we strive to grow closer to Jesus Christ through the Holy Eucharist. We work to foster the development of the parish, not only to strengthen our own spiritual awareness, but to impact the community as a whole.

When the bishop thanks us, I am always moved. For a moment, none of our differences matter. What matters is that we belong to one another.

I usually leave that evening with a deep sense of peace, but also with a sober realization. Nothing drains joy from the vineyard of the Lord faster than comparison. The quiet habit of measuring, ranking, and resenting can creep in even among those who sincerely serve God.

That is what Jesus exposes in today's parable of the workers in the vineyard. The early laborers are not upset because they were treated unjustly; they are angry because others were treated generously. Their resentment blinds them to the gift already in their hands. When the landowner asks, "*Are you envious because I am generous?*" he names the real wound.

This tension echoes throughout salvation history: the elder brother resenting the prodigal, the faithful servant scorning the latecomer. Jesus does not deny the labor of those who have borne the heat of the day, but he refuses to let God's mercy become a zero-sum game.

In the end, the vineyard's reward is not about fairness but belonging. The joy offered is communion with a generous Father, who delights in gathering early and late, strong and weak, into one household of grace

- Father John Muir ©LPi

FAITH & PRAYER

The Demon-Fighter: The Supernatural Life of Saint Padre Pio

Saint Padre Pio is one of the most famous and beloved saints of the 20th century. He also had one of the most supernatural lives of any saint in modern Church history, including regular physical attacks from demonic forces.

Born as Francesco Forgione in a small Italian farming community in the late 19th century, his family attended Mass and prayed the rosary daily. Never wavering in his faith in Jesus, he became a Franciscan at age 15, taking the name Pio. Only two years later, his life took a sudden and unexpected turn: while suffering from a terrible illness, he started to have intense spiritual experiences.

People started seeing him levitate, as well as regularly falling into an intense state of religious ecstasy. He received the gift of stigmata, in which the wounds of Christ miraculously appeared on his body, and he could miraculously read people's souls during confession.

Padre Pio also had the gift of bilocation. For example, in 1950, Pio was seen attending the funeral of a monk in Milwaukee, Wisconsin – but without ever having left his monastery in Italy. Regarding his ability to bilocate, one person reports that Pio once said, “I can do three things at once: pray, confess, and go around the world.”

The most extraordinary aspect of Padre Pio's spiritual life was his explicit spiritual warfare with the demonic. “Padre Pio's real enemies were the demons who besieged him,” former chief exorcist of Rome Father Gabriele Amorth said. “The great and constant struggle of Padre Pio's life was with those enemies of God and human souls, the devils who tried to capture his soul.” Even in his youth, Saint Padre Pio would enjoy incredible celestial visions but also suffer demonic attacks. Father Amorth explains:

“The devil would appear to him as an ugly black cat, or in the shape of a truly repugnant animal. The obvious intent was to fill him with terror. Other times demons came as young girls, nude and provocative, performing obscene dances, to test the young priest's chastity.

“But Padre Pio sensed his greatest danger when the devil tried to deceive him by taking on the form of one of his superiors (his provincial superior or his spiritual director) or in a sacred form (the Lord, the Virgin, or St. Francis).”

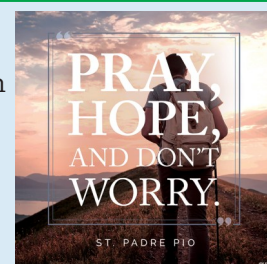

Satan would even sometimes attack Saint Padre Pio physically. He describes this in one letter he wrote to a priest confidant:

“These devils don't stop striking me, even making me fall down from the bed. They even tear off my shirt to beat me! **But now they do not frighten me anymore.** Jesus loves me, He often lifts me and places me back on the bed.”

Indeed, if we are close to the Lord, we should not fear the spiritual forces of evil. Saint Padre Pio, please pray for us!
